

8th September 2021

Dear Residents,

RE: GOODWOOD SAINTS FC UPDATE

Thank you for supporting us throughout Season 2021. We like all not-for profit sporting organisations, have faced many challenges with the pandemic, however we are delighted to see our young people participating in community sport, contributing to; their good health, increased activity levels and a positive mindset. The growth in our female program has been outstanding and we look forward to developing this area of the club in the future.

Our teams have achieved much success and we have several junior and senior teams participating in the finals this weekend. This weekend concludes the senior men's program. Next weekend will see the conclusion of the junior season and there are no more matches scheduled on the oval by the SANFL for the remainder of the season.
